JOINT SCHEDULING RECOMMENDATIONS

In accordance with the Court's June 7, 2023, Order, the parties recommend that the following deadlines be entered in the scheduling order to control the course of this case:

1. The parties asserting claims for relief shall submit a written offer of settlement to opposing parties by August 21, 2023, and each opposing party shall respond, in writing, by September 4, 2023.
2. The parties shall file all motions to amend or supplement pleadings or to join additional parties by August 7, 2023.
3. Parties asserting claims for relief shall file their designation of potential witnesses, testifying experts, and proposed exhibits, and shall serve on all parties, but not file the materials required by Fed. R. Civ. P. 26(a)(2)(B) by October 4, 2023. Parties resisting claims for relief shall file their designation of potential witnesses, testifying experts, and proposed exhibits, and shall serve on all parties, but not file the materials required by Fed. R. Civ. P. 26(a)(2)(B) by November 3, 2023. All designations of rebuttal experts shall be filed within 14 days of receipt of the report of the opposing expert.
4. An objection to the reliability of an expert's proposed testimony under Federal Rule of Evidence 702 shall be made by motion, specifically stating the basis for the objection and identifying the objectionable testimony, within 30 days

of receipt of the written report of the expert's proposed testimony, or within 30 days of the expert's deposition, if a deposition is taken, whichever is later.

5. Discovery on the issue of certification must be completed by December 15, 2023.

6. Motion for Certification due by January 15, 2024.

7. If Certification is approved, opt-ins and related discovery thereon must be completed by on or before six months after the decision on Certification. 9. The Court will set the case for trial by separate order. The order will establish trial type deadlines to include pretrial matters pursuant to Local Rule CV-16(e)-(g).

10. All of the parties who have appeared in the action conferred concerning the contents of the proposed scheduling order on July 5, 2023, and the parties have agreed as to its contents.
